***Brief Company Description:***

We are a global insurance-based financial services provider, with headquarters in Zurich, Switzerland. The core of our business is General Insurance and Life Insurance. Founded in 1872, we now have a world wide network of subsidiaries and offices in North America, Europe, Asia Pacific, Latin America and other markets. Our 60,000 employees serve customers in more than 170 countries. Please visit [www.zurich.com](http://www.zurich.com)

ZIC plc Slovakia was established in September 2006 and is providing actuarial services for General Insurance and Life Insurance to support European and Latin American business units.

The Zurich Insurance Company in Switzerland has set up a specific Life Actuarial team in Bratislava in 2009. 14 analysts and model developers are currently providing life actuarial services in areas such as risk management, model development, reporting and corporate governance.

ZIC has decided to double its Life team in Slovakia, particularly influenced by the resource needs likely to arise from the Solvency 2 and IFRS 4 Phase 2 requirements.
