

MiddleCap Partners is a fast-growing corporate finance firm. We provide complex financial advisory services including M&A advisory, management of sell/buy-side processes, negotiation support, deals structuring, valuation, financial modeling, financial due diligence and debt advisory. As part of our service offering we provide also restructuring services covering both formal court-ordered restructurings and informal reorganization services. We distinguish ourselves from our competition as we are prepared to take responsibility for our advice through execution of crisis management functions for our clients.

MiddleCap Partners was established by three partners with each having more than ten years of financial advisory experience from Deloitte and KPMG. Currently, our team comprises of ten corporate finance professionals with thorough experience in M&A advisory, valuations and restructurings.

To enhance our team we are looking for:

JUNIOR ASSOCIATE | CORPORATE FINANCE

With us this means you will primarily support senior team members with

- development of financial models and company valuations,
- preparation of company financial performance analyses, compilation of economy and industry forecasts, peer company benchmarking,
- drafting investment teasers and information memorandums,
- preparation of proposals and sales pitches,
- assistance in financial due diligence engagements,
- running the M&A mandates.

We expect

- you have achieved a bachelor degree in finance or mathematics, having experience from a foreign university is an advantage,
- you have critical thinking, well developed analytical, logical and business diagnostics skills,
- you understand principles of financial statements and are able to perform basic financial analyses,
- you are fluent in English and you speak some other foreign language,
- you can work with MS Excel, MS Word and MS PowerPoint, knowledge of VBA or other programming language is an advantage,
- you have some working experience; preferably in finance.

We offer you

- a dynamic and business oriented team,
- non-routine and challenging work,
- competitive compensation,
- a range of professional development opportunities,
- opportunity to participate on growth of the company.

We are looking for YOU if...

- you have drive and willingness to learn,
- you are a team player,
- you have attention to detail,
- you are able to work unsupervised and under pressure,
- you are a proactive and a reliable person.

You will be based

primarily in Bratislava, occasionally you should expect travelling to Prague or other cities around Slovakia.

If you want to apply

please send us your CV and a cover letter, both in English.
